

Defeat of the Congressional, Senatorial and Legislative Apportionment Bills.

HARRISBURG, May 22.—The house defeated on final passage yesterday the congressional, senatorial and legislative apportionment bills by a vote of 78 to 80. As if to even up matters the senate killed the house judicial apportionment bill. The vote against each was so decisive as to preclude all possibility of their reconsideration. The action of the house is a great surprise after the practical unanimity with which it passed the three bills last week on second reading. By the defeat of these measures Allegheny loses a congressman, a senator and four representatives, to which it was entitled under a new apportionment, and Philadelphia loses a congressman.

After the defeat of these bills the house proceeded to the consideration of revenue bills on third reading. The Cochran bill, taxing brewers twenty-four cents a barrel of thirty-one gallons, was amended so as to relieve brewers from paying a double tax and then laid aside for final passage. The Lawrence bill, taxing the actual value of bank stock four mills passed finally. The Grady bill to punish pool selling and transmitting bets, and the bill increasing the salary of the adjutant general from \$2,500 to \$4,000, also passed this session.

Speaker Walton announced the appointment of Representatives Ritter, Fox, Marshall, Curtin and Ames to represent the house on the Cotton States exposition commission.

A resolution was reported from the committee on rules fixing final adjournment on June 6 at 12 o'clock noon. The house postponed action on the resolution.

The bill making a uniform policy of fire insurance was reconsidered and laid aside for future consideration. The bill providing for the conveyance and delivery of powder, oil and other explosives to miners in mines was reconsidered and defeated on final passage.

A communication was received from Governor Hastings at the house evening session conveying his approval of three bills, among one to establish a state live stock sanitary board.

In the senate resolutions were adopted recalling three bills from the governor, one of which directs the state to take possession of bridges dividing counties and to assume control of them.

Five Were Probably Cremated. BIRMINGHAM, Ala., May 22.—It is now believed that the loss of life in the fire at Gale City on Sunday will reach five persons. Further search of the debris of Fant's boarding house yesterday disclosed more charred bones. Besides Pat Woods, whose body was recovered, two missing men have not been found. Two women, it develops, are also missing and the bones found are believed to be those of the four persons unaccounted for. The two missing men had just come to Gale City from Pennsylvania and their names are unknown.

The Discovery Saved His Life. Mr. G. Callouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial bottle at A. Wasley's drug store."

BASE BALL.

An Amateur Club Will Try to Give the Local People Games.

Now that the State League base ball club has gone under Michael Hefron, the veteran local player and manager, has come out with an announcement that in a few days he will put an amateur club on the diamond. It will embrace all the best known players of town and two, or three, outsiders. Hefron says the admission to the games will be fifteen cents. Last year's league club's uniforms will be used.

State League base ball club is not drawing in Pottsville. Manager Milligan, of the Allentowns, got scared yesterday during the game at Pottsville and demanded his guarantee. It was advanced to the home management by a grandstand spectator.

Last evening's Chronicle confirmed the report that State League ball is not paying at the county seat this year, in the following article: "Shenandoah's State League base ball team has been transferred to another town. This is the first break in the League and, we hope, the only one. Base ball is the national game, but players cannot be hired and paid fair salaries unless the sport loving public liberally supports the management. The weather thus far this season has proven a serious detriment to every club treasury, and unless the games are liberally patronized when the warm days do come, there may be other teams compelled to follow Shenandoah. If the public delights in the sport it should be willing to contribute towards maintaining it. Otherwise semi-professional ball teams cannot be maintained in the smaller towns."

The Shenandoah State League franchise is still on the hook. Easton has not taken it, but the chances for the deal are good. President Haulon is at work on the project.

Some of the Ohio base ball players who are stranded here emphatically deny that they solicited public contributions to pay their fares home.

MERE MENTION.

Tomorrow will be Ascension day. Picnics have had a set back on account of the cold weather. The water has not been turned on yet but the \$20,000 is being drawn on.

The frog season is here and frog free lunches will be one of the courses soon. The peach crop must be all right; no complaints have reached us from the peach-growing districts.

The raid made by Chief Tosh and his assistants has already made a good impression. Clean out the pests.

That new find near Pottsville has turned out to be red paint, which will be used to paint the county seat village.

Up in Wayne county they have snow fourteen inches deep. Here, in Shenandoah, we have ice 12 inches thick—in the ice houses.

Pineapples are now cheap and plenty. Housewives should take advantage of this fact and can large quantities for winter use.

Baked beans will be a delicacy as well as a luxury next winter if we are to be lured that the cold weather has killed the crop for this year.

That dam up the mountain, that is to supply the people of Shenandoah with water ought to be dammed again so that it will not leak.

Had the Evangelical Association secured the services of such a great lawyer like Hon. Rufus Choate, of New York, they would now be in possession of their own property.

The cost of the water works of the United States is estimated to be nearly, if not quite, \$50,000,000 to supply the needs of about 2100 cities and towns. In Maine alone there is something like 35,000 miles of pipe. Shenandoah's public water works has already cost about \$100,000, but we have no water yet. Just how much it will cost before the present tinkers get through with the job we will mention later.

Minister HANOTAUX to Wed. PARIS, May 22.—Jeanne Hugo, granddaughter of Victor Hugo, heroine of L'Art d'être Grand-Père and of many other lyrical poems which will always be treasures of French literature, is to be married to M. Hanotaux, minister of foreign affairs. Jeanne Hugo was divorced a few months ago from Leon Daudet, son of Alphonse Daudet, and author of Les Mortu-elles. They had been married but four years.

Going to Europe. A party of representative Pennsylvanians will sail in the "City of New York" from New York on July 3d, their object being a six weeks' tour to Europe. The party will be made up as follows: Ex-Secretary of the Commonwealth William F. Harry, of Philadelphia; Senator Cochran and Seth T. McCormick, Williamsport, and Hon. Grant Herring, collector of internal revenue, of Bloomsburg. They expect to arrive at Queenstown, Ireland, on July 9th. Their sight-seeing will include a four days' tour through the interior of Ireland via "jaunting car," a trip up the Rhine, and visits to London, Rome, Paris, Berlin and wherever fancy may lead them. They will embark on the "City of Paris" at Queenstown on August 17, for home, arriving in New York on August 24, barring accidents. This party will doubtless have an enjoyable trip, and as ex-Secretary Harry is personally acquainted with all the foreign representatives of this country, this "stag" party will be royally entertained by them as they visit the different countries of the old world.

Return the Books. No more books will be issued from the public library of town until the second Thursday of June, next, but the library will be open at the usual hours on Thursdays and Saturdays to receive them, and all persons having books are requested to return them at once.

By order of the Library Committee, 5-20-95. FRANK HANNA, Librarian.

Big Garment Workers' Strike Threatened. NEW YORK, May 22.—What promises to be the biggest strike ever known in the garment making industry in this city is impending over the question of the weekly wage system. The operatives demand that manufacturers and contractors renew the existing agreement with the Brotherhood of Tailors, and grant the weekly work system to other garment workers' organizations. Demands will also be made for an increase of wages in some instances. The strike is not likely to be ordered, if at all, before Sept. 15. The garment makers in Rochester, Syracuse, Utica, New London, Conn., and other towns where tailoring work is done for New York city firms will be organized.

No Disorder at Pocomantas. POCOMANTAS, Va., May 22.—The conditions here are unchanged. Yesterday's output was eighty-five cars. Private Fields, who was struck with a stone, is not badly hurt, and the negro who struck him has been arrested. All the white miners who were arrested have been released. The Richmond militia company left for home this morning and will be supplanted by a Portsmouth company. The council and board of trade here have asked Governor O'Ferrall to suspend picket guard on the 25th, as the town and county officials are elected on that day.

The Yankeet Reservation Opened. ARMOUR, S. D., May 22.—The opening of the Yankeet reservation at noon yesterday was not characterized by the formality and discipline attending the opening of vast bodies of Indian lands. To-day the newly opened land is dotted with the shanties of homesteaders, and preliminary steps toward the cultivation of lands have been commenced. The opening was the most orderly opening of Indian lands that ever took place in the west. The land is really valuable, and will be rapidly taken.

Desperate Fight with Tramps. CHESTON, Ia., May 22.—A desperate battle occurred at Chariton in the Burlington railroad yards between officers and a gang of tramps who were caught breaking into a car. When officers attempted to arrest the tramps pulled revolvers and commenced firing. The firing was returned and a fusillade of bullets were exchanged. Constable Bugan was shot in the left breast, but will recover. Marshal Hixson was slightly wounded. Whether any of the tramps were shot could not be learned.

Executive Committee Meeting. The Executive Committee of the German Catholic Union of Eastern Pennsylvania held its meeting in Ashland on Sunday, Mr. Christ Schmidt, of town, was president. Members were present from Shenandoah, St. Clair, Pottsville, Minersville, Mahanoy City, and Ashland. The annual parade of the organization, which was to have taken place in Pottsville on June 11th, 1895, was on account of the depression of the times in the coal region, dispensed with for this year. The German Catholic Knights of Ashland, with fifty drilled men, will run an excursion to Wilkesbarre and attend the parade and annual meeting of the State organization which will be in session at that place on the 17, 18 and 19th of June. A big time will be had. Over \$1000 has already been appropriated by the Wilkesbarre societies for decorations. Shenandoah will doubtless send a large delegation to that city on this occasion.
